

Let's Bring Christmas Cheer to Foreman

This year will be a very different Christmas time for all of us. Many things will be different than previous years due to the coronavirus. For this reason it is more important than ever before to try to bring as much fun, joy, cheer, and happiness wherever we can.

Due to the growing number of covid cases in our community and the great possibility of more to come, Foreman has decided to forgo our normal Christmas time celebrations. We plan to have a DRIVE BY PARADE, so we can bring the parade to YOU!!! We hope this brings a little Christmas cheer to our citizens, bringing fun and safety to everyone. This is the only planned activity we will be doing.

Please join us in the parade in your car, truck, golf cart, 4-wheeler, float, ATV, horse, etc. You can decorate it for Christmas or just be in the lineup without decorating it. We will be driving through the city streets bringing the parade to those who choose to just watch.

The parade is scheduled for Saturday, December 5, 2020. We will line up at the Foreman Recreation Park on Hwy 41 at 3:45. The parade will begin at 4:15. Officer Dixon will be the lead car, and we will follow him.

We are also anticipating a very special appearance from someone from the North Pole to join the parade. He hopes to see all the good little boys and girls on the parade route. Please stay within your family unit for your safety as well as others near you.

Please return the notification form attached to your note if you plan to participate in the parade to your school office by Monday, November 30. You may also call the water office at 870-542-6234 on or before November 30. REMEMBER: We can't have the parade without you. Let's put the Christmas spirit back in our town.

Thank you,
Foreman City Council

____ Yes, I plan to join the parade on December 5th.
